

# The Secret's Out: Clean Air for a Healthy Life

Families who put a premium on being very healthy in all aspects of their lives plan for a healthy life. They know that having no health issues now is not a free ride. Breathing clean, pollution-free air is the key to healthy lungs for life. One alarmingly simple fact to consider is that if you don't use an air purifier, your lungs are the purifier. Enjoy peace of mind creating a clean, healthy environment for your family & loved ones.

FreshAir Surround

## FreshAir Purifier with ActivePure Technology

FreshAir Box

<p><b>Free Your Air of Unpleasant Odors</b> Including: smoke, pets, chemicals, &amp; cooking odors. Eliminate Stale Air, including: mold &amp; mildew and the resulting musty scent.</p>	<p><b>Breathe easier</b> Especially those suffering from asthma, COPD, allergies, and other diseases. People spend over 90% of their time indoors. The FA purifier is an essential wellness product.</p>	<p><b>Remove Dust Particles</b> Dust mites, Dirt, Allergy &amp; Asthma Triggers, Toxins, Pollens, Soot. FA Purifiers drop particulate 15 times faster than gravity. <i>Bonus: Reduce House Cleaning</i></p>
<p><b>Nasty Toxins</b> Do you worry about the long-term affect of breathing in invisible toxins and chemicals? There are 75 to 1,150 toxins in your home. There are 3,000 chemicals present in our homes that have not been tested in the United States.</p>	<p><b>Save Money</b> Stop purchasing air fresheners. Take fewer trips to the doctor. Purchase fewer medications. Fewer sick days. Be your healthiest. Good health starts with good clean breathing.</p>	<p><b>Kill Germs on Surfaces</b> 90% of colds and illness are caught indoors. You carry germs with you each time you return home. Slow down or eliminate the sharing of germs &amp; illness with the 24/7 clean air protection of Fresh Air Purifiers.</p>

*The EPA has stated that indoor Air Quality can be up to five times more polluted than outdoor air. Take control of your indoor Air Quality with a purification system so superior it leverages Space Certified Technology™.*

*We offer a FreshAir Surround for 3,000sqft areas & a FreshAir Box Purifier for areas under 1,500sqft. Only one portable purifier for an entire home or office. Great ROI. Purifiers work for years.*
