

CERTIFIED SPACE TECHNOLOGY

ActivePure® Technology is based on a variation of the technology originally developed for use on the International Space Station and is recognized as the exclusive Certified Space Technology by the Space Foundation in its category.

SPECIFICATIONS

Technology	ActivePure® Technology
Power Usage	0.4W AC (standby) 1.3W AC (operating)
Power Adapter Input	AC in: 100-240V ~50/60 Hz 0.45A
Power Adapter Output	DC out: 12V 2.5A
Water Pressure	min. 20 psi to 60 psi max./1.37~4.13 bar
Water Temperature	use cold water only
Operating Temperature	50°F to 100°F (10°C - 37.8°C)
Operating Humidity	40% to 85%
Size	17.3" wide x 5.19" tall x 3.69" deep (43.94 cm x 13.48 cm x 9.37 cm)
Weight	4.3 lbs / 1.95 kg

LAUNDYPURE[®] 2.0

BY VOLLARA

THE SMART SOLUTION FOR DOING LAUNDRY

We turned to nature to come up with a better way to do laundry. LaundryPure 2.0 is better for your laundry, better for your family and better for the environment... and it will help you save money too.

LaundryPure 2.0 incorporates the power of our revolutionary, exclusive ActivePure® Technology with the cleaning action of water with hydrogen & oxygen-based oxidizers to lift dirt and grime away from the fibers of fabric and prevent the growth of odor-causing bacteria. LaundryPure 2.0 is an amazingly effective cold water laundry system for residential use.

NO NEED FOR DETERGENT*

Hydrogen & oxygen gases bubble into clothing to lift away dirt and odors. An all-natural pretreater may be used for really tough stains.

MAKES CLOTHES SOFTER

Build-up on towels, linens, and your clothes can weigh them down. Over time, LaundryPure 2.0 lifts old detergents out of fibers, restoring their natural softness.

CLEAN WITHOUT BLEACH

LaundryPure 2.0 combines the power of our revolutionary, exclusive ActivePure®, a Certified Space Technology, with the cleaning action of water with hydrogen & oxygen-based oxidizers to lift dirt and grime away from the fibers of fabric and prevent the growth of odor-causing bacteria.

NO MAINTENANCE

LaundryPure 2.0 requires no cleaning or routine maintenance to operate at peak performance.

BETTER FOR SENSITIVE SKIN

LaundryPure 2.0 also helps eliminate the itching and redness caused by allergies due to detergents embedded in clothing.

MONITORS OPERATION

The LaundryPure 2.0 monitors its operations with a blue LED indicator. The lights glow steadily during normal operation and will indicate when attention is required with different flashing signals.

NO WORRIES

Ownership of the LaundryPure 2.0 is worry free with a limited warranty. See owner's manual for details.

EASE OF USE

Just put your clothes in the washing machine, set for cold water only, and turn your washer on. The blue status lights on the LaundryPure 2.0 tell you it's working.

EASY TO INSTALL

LaundryPure 2.0 connects to your existing washing machine. No modifications or additional plumbing required.

EARTH-FRIENDLY

Cold water only and no detergent bottles to throw away make LaundryPure 2.0 a better choice for cleaning clothes while protecting the Earth.

WHITER WHITES, BRIGHTER COLORS

LaundryPure 2.0 keeps clothes looking their best with the cleansing power of water with hydrogen & oxygen-based oxidizers.

SPACE TECHNOLOGY HALL OF FAME INDUCTEE

The Space Technology Hall of Fame® increases public awareness of the benefits of space exploration and encourages further innovation by recognizing individuals, organizations and companies that effectively adapt and market technologies originally developed for space to improve the quality of life for all humanity.

*Note: LaundryPure 2.0 reduces or eliminates the need for laundry detergent. While many users find that LaundryPure 2.0 alone effectively cleans their laundry, you may find it necessary to pre-treat or use a reduced amount of detergent to remove certain stains. If you find that detergent is necessary, we recommend using 1/8th the amount you previously used before your LaundryPure 2.0 purchase.

**2009 public data found through national organizations such as the US Environmental Protection Agency and Department of Energy. Costs shown are averages and actual costs may be higher or lower depending on the utility rates for your geographic location and laundry equipment used.

MADE IN THE U.S.A.

LAUNDYPURE® 2.0

THE SMART SOLUTION FOR DOING LAUNDRY

LaundryPure 2.0 ensures that you aren't absorbing anything from the fabrics you touch, which helps you to avoid the allergic reactions that can be caused by detergents. Based on processes used for over a decade in hospitals, hotels, and laundromats, LaundryPure 2.0 infuses cold water with hydrogen & oxygen-based oxidizers to lift dirt and grime from cloth fibers, leaving clothes brighter and cleaner.

LaundryPure 2.0 offers peace of mind with internal electronic leak detection
